Such written notice must set forth reasons for the withdrawal. After bid opening, a bidder may request to withdraw their bid response from consideration if the price bid is substantially lower than the other bids, providing the bid was submitted in good faith, and the reason for the bid price being substantially lower was due to an unintentional and substantial arithmetical error or unintentional omission of a substantial quantity of material or labor in the compilation of the bid. The vendor shall be required to make delivery of the product or service in accordance with the terms of the Contract and/or as stated on the Purchase Order. Unless prior approval to extend the delivery date has been granted to the vendor by the Township, any failure to meet the scheduled delivery date may result in the vendor being assessed a late delivery charge of 1% of the value of the Purchase Order or \$100, whichever is less, for each calendar day beyond the scheduled delivery date.   2. If a tie still exists, the Township of Providence may repeat this process or look to past or current performance in order to secure the item or items. The Township of Providence will not allow a tie bid situation to otherwise unnecessarily delay a potential award.
34. **DEVIATIONS:** Statements or modifications that deviate from the ITB's terms, conditions, specifications and requirements (such as altering delivery, changing F .O.B., price list subject to change, etc.) may render a prospective vendor's bid non-responsive if the Township of Providence determines that the deviation or modification affects the amount of the bid or results in a competitive advantage for the bidder.
35. **FINDING FOR RECOVERY:** The vendor affirmatively represents to the Township of Providence that it is not subject to a finding for recovery under Ohio Revised Code §9.24, or that it has taken the appropriate remedial steps required under §9.24 or otherwise qualifies under that section. The vendor agrees that if this representation is deemed to be false, the Contract shall be void ab initio as between the parties to this Contract, and any funds paid by the Township of Providence hereunder shall be immediately repaid to the Township, or an action for recovery may be immediately commenced by the Township of Providence for recovery of said funds.
